# Maple Batalia Memorial Scholarship for the Arts

Maple Batalia was a gifted visual artist, actor, model and aspiring doctor who died tragically in Surrey, BC, in a senseless act of violence in 2011. In her memory, House of Kiran has established the Maple Batalia Memorial Scholarship for the Arts. The breadth of Maple's work as an artist and performer provides young South Asian diasporic women with inspiration and motivation to look within themselves to harness and refine their creative talents. Maple embodied a fierce dedication to her art and craft(s). The establishment of the Maple Batalia Memorial Scholarship for the Arts provides an opportunity for up and coming South Asian-Canadian female artists to pursue and fulfill their artistic dreams – all of which Maple had for herself.
